

Executive News

Welcome everyone to term 4! We trust you had a wonderful holiday and hope you are ready for a term that is jam-packed with learning, celebrations and end-of-year festivities. This term there will be many opportunities to come together as a community through events such as the P&C Colour Run and end of year concert. We are also looking forward to celebrating your child's achievements with you at the assemblies we have planned as well as the year 6 graduation and through their final reports.

PBL

At the end of term 3 we celebrated the achievement of our whole school goal by having a 'PJs and movie day.' Everyone had a great time and the day was a fitting celebration for a fantastic accomplishment. This term we will continue to hand out tickets to students displaying our school values of being **safe, respectful learners**. This time, however, there will be rewards for the houses receiving the most tickets. Stay tuned...

Break time clubs

We are very excited that in term 4 we will see the highest number of clubs offered this year. In addition to some old favourites returning there are quite a few new options for students to choose from as you will see below. This is good opportunity to share the timetable with your child and assist them with choosing clubs that may grow an interest, develop new skills or even help them meet new friends.
