Dear parents and carers,

Last week's Theodore celebrated Book Week with an assembly and parade bringing a variety of book characters to life. Teachers and students dressed up to celebrate a favourite storybook character, there were certainly an array of clever and creative costumes! This was followed by a day of activities that enabled the students to *find their treasure* (this year's theme) in a book, and the students loved the different stories that they heard. Our writer's competition winners were also announced. Congratulations to all, especially our overall winners Lola and Emilia! Please see the display of our celebration, wonderful costumes and budding authors in the front office!

Recently we had Kenny Koala talk to our Years three and four on the importance of online safety. Years five and six will be visited by the AFP to listen to this same message. Our lives today are so technology driven and enhanced with many households having more than one device that can access the big wide world. It is important that students are aware of the dangers of the internet, of being safe online with their friends, reporting anything that looks unfamiliar or they don't understand to their parents and avoiding inappropriate material. It is also important that parents and carers are aware of what their children are viewing and doing on the internet. Please find attached to this newsletter a couple of articles that may be of interest and provide opportunity to talk with your child about the dangers and importance of safety online.

Save the date: Learning Journeys are an excellent way to check in, reflect and acknowledge students learning and successes. As part of our assessment and reporting cycle, the Learning Journey gives students the opportunity to share and celebrate their learning with you. Learning Journeys will be held on Thursday September 20 from 2-4pm; invitations will be sent out soon.

Safety reminder: Our school carpark is a 10km zone at all times. We have implemented a pick up and collection line at the end of the day to alleviate wait times and create flow in traffic. Feedback has this week been positive. Please encourage your child to come promptly from the classroom to the front of the school at the end of the day.

Kind regards,

Kerri Clark

Jump Rope for

We're skipping through the term!

Jump Rope for Heart is well underway and it's great to see so many children out in the playground skipping with smiles on their faces. Our school has already raised \$2000.00 for the Heart Foundation. Well done!

It's not long until our Jump Off Day on *Thursday 27 September* so keep on practicing those tricks! And don't forget to share your online fundraising page with friends and family to raise money for a great cause! Still need to sign up online? It's easy just follow this link and enter your details.
