**HOW CAN YOU HELP MAKE A DIFFERENCE  
TO THE EDUCATION OF YOUR CHILD**

Dear Parents and Caregivers,

As you are aware, voluntary contributions help provide our school with extra resourcing that supports the enrichment of your child's education. This funding allows us to purchase additional resources and provide additional learning opportunities for your child.

Money collected through voluntary contributions this year will be allocated to provide additional resources to enhance our school.

The School Board has set the voluntary contributions for the following amounts:

- \$75.00 for one child
- or
- \$120.00 per family

Please note, you are able to contribute more or less than the set amounts if you choose. These contributions are applicable from Preschool to year 6.

As a school we also appreciate the time that many families contribute as volunteers. Volunteering as a classroom helper, for special events and /or on excursions also assists us in providing rich educational opportunities for your children.

If you have any questions, please don't hesitate to contact me.

***Kind regards,  
Kerri Clark***

*Please Note: The payment of these financial contributions is voluntary. The Education Act 2004 states that your child will not be refused benefits or services if you do not choose to contribute. Individual records of contributions are confidential.*

## PROGRAM REQUIREMENTS PAYMENT 2018

In 2018, Theodore Primary parents/carers have the option of paying curriculum based education excursions / incursions in one payment covering the whole year. We request this payment be paid by **Friday 16 March**. Parents and carers can still elect to pay for excursions and incursions as they arise.

Occasionally class excursions will incur incidental costs but these will be kept to a minimum. Please note that the amounts below only include Curriculum Based Education Excursions. This year we will also be offering an additional option for 2018 sporting excursions (eg. swimming carnival; athletics carnival). Details will be forwarded to families within the next couple of weeks.

Please note this payment does not include the year 2 swimming program or 3/4 and 5/6 camps.

Payments can be made by direct deposit, cash, cheque or credit card.
