

22 August 2017

Dear Parent/s,

Theodore Primary School is excited to be offering Year 2 students the opportunity to acquire essential life skills in water safety and survival through Royal Life Saving ACT.

This program has been flagged as a priority program for all ACT Yr 2 students.

The ACT Education and Training Directorate provides substantial funding for Year 2 students in ACT Public Schools to participate in the new Royal Life Saving ACT *Aqua Safe* program – a series of 10 practical and 5 theory lessons focussed on general water safety and personal aquatic survival skills. This targeted approach will ensure every participating student has the opportunity to access structured aquatic activities during primary school.

The cost of the program is \$50 per student.

To ensure your child's inclusion in this year's program, please complete the attached permission note and return to school no later than: **30 October 2017**

Sincerely

Corinne Follett
