Dear parents and carers,

Welcome back to term two. It was wonderful to see the students and teachers back refreshed and ready to reconnect with school. The students have resettled into school routines and learning very smoothly. We also welcome ten new students and their families to our school community this term!

This term is shaping to be one packed full of learning opportunities both in and out of the classroom: Excursions and incursions, inquiry learning, whole school first aid, assessment and reporting processes, athletics carnival, school photos, 'Pizza and Problems' Maths night and in Public Education Week, cupcake day, pancake day and an Indigenous performance... the list goes on!

The senior playground is on its way! We have received notification that the old playground removal and installation of the new equipment will commence on May 22 – three weeks away! This is very exciting as we know that there has been so much community preparation, co-ordination and anticipation for its arrival. This will mean that the e area will be temporarily fenced off until the equipment is certified for use. Other building work over the holidays has included a new reverse air conditioner in the Murrumbidgee classroom; the plumbing in the preschool grounds prior to further grounds work planned by the Preschool P&C; new ceiling and roofing to the verandah of the Mereki building prior to a whole new verandah with off ramp being constructed during this term; and the construction of a multipurpose learning and sensory space adjacent to the library to provide an alternate breakout space for learning.

We certainly had some lovely weather over the school holidays – our last bit before the onslaught of the colder months ahead. As the cold weather rolls in, please ensure that students are dressed warmly and clothes items are clearly labelled. The last day of hats is May 30th.

Kind regards,

Kerri Clark

REMEMBER to park safely and legally around schools

Every day across Canberra, parents are parking illegally in school zones and putting all kids in the area at risk. With school parking patrols increasing in 2018, if you keep doing it, you will get caught and you will be fined. Check out this short video – [Parking safely around schools](#)

THINK BEFORE YOU PARK...AND KEEP OUR KIDS SAFE - MAKE PARKING SAFETY A PRIORITY!

Please:

- keep clear of 'no stopping' and 'no parking' zones
- don't park in bus zones on school crossings, across footpaths or driveways; and
- don't double (or triple) park.

Remember - it's okay to park a little further away from the school and walk the rest of the way!

Consider - having a pre-determined meeting spot agreed with your kids. That way if you are a little late, they know where to wait.

Think – visibility around schools and if your car may be blocking the view of crossings for other motorists. Also be mindful when entering or leaving parking spots – look twice!
Be kind – to other road users and pedestrians and also if you see any parking officers in the area – they are doing their job and working to keep our kids safe!

Note - licence Plate Recognition (or electronic chalking) vans are now actively monitoring schools. Penalties range from \$114 upwards to \$600. Details at www.act.gov.au/accessCBR

Kindergarten 2019 Information evening

NAPLAN Year 3 and Year 5

During 15th May – 22nd May Theodore Primary School year 3 and 5 students, along with every other school in Australia, will be participating in the National Assessment Program – Literacy and Numeracy (NAPLAN).

The National Assessment Program – Literacy and Numeracy (NAPLAN) is an annual assessment for students in Years 3, 5, 7 and 9. This is a Federal Government requirement for all schools in Australia.

NAPLAN tests skills that are essential for every child to progress through school and life, such as reading, writing, spelling and numeracy. The assessments are undertaken nationwide, every year, in May.

This year NAPLAN will be conducted online and students will be using the school Chromebooks. The only exception to this will be Year 3 will still handwrite their writing assessment.

To help support your child in performing to the best of their ability it is important that they've had a good night sleep and a hardy breakfast during this week.

Below is the NAPLAN timetable of our planned dates and times of when each assessment will be delivered.

Year 3 NAPLAN Timetable			
Tuesday 15th May	Thursday 17th May	Monday 21st May	Tuesday 22nd May

Theodore Primary P&C MOTHER'S DAY STALL

Friday 11th MAY 2018

On Friday 11th May, the P&C will be holding a Mother's Day stall. There will be a huge range of fantastic gifts available for students to choose from on the day.

It's a fun event that all students look forward to. Students can order as many gifts as they like so they can choose something special for mum, nana, grandma, carers, or anyone else important to them.

GIFTS can be purchased for \$5 or \$10

If your child would like to choose a gift from the stall, please indicate the value and quantity below and return this form with payment to the front office by: **Wednesday 9 May.**

Unfortunately, only orders that arrive on time can be processed so don't miss out!
