Voluntary Contributions & Library Trust Fund 2024

Dear Parents and Caregivers,

In recent years, voluntary contributions have greatly assisted our school in the purchasing of extra resources, which have enriched our students' educational experiences. In 2023, funds received via voluntary contributions have allowed us to continue to improve our school bike program by expanding our fleet of bikes. This has resulted in more students having the opportunity to ride bikes as part of the Health and Physical Education curriculum as well as enhancing student wellbeing. We intend to once again use support received through voluntary contributions to continue to improvement and expand our bike program.

Options for contributions

- **Theodore Primary School** where the funds raised will be used for resources for Preschool to year 6.
- **Library Trust Fund** (tax deductible contribution) provide resources only for the school library.

The School Board has set the voluntary contributions for the following amounts:

- \$80 for one child,

OR

- \$130 for two or more children.

Voluntary contributions can be made at any point in the year and be paid as one whole payment or in two parts. You are also welcome to contribute more or less than the set amounts if you choose. These contributions are applicable from **preschool to year 6**.

We recognise that the financial circumstances of all families vary and, given the recent cost of living pressures, we appreciate your consideration of making a voluntary contribution in 2024.

Kind regards,

Nathan Pepper

Principal

Please Note: The payment of these financial contributions is voluntary. The Education Act 2004 states that your child will not be refused benefits or services if you do not choose to contribute. Individual records of contributions are confidential.
