HOW CAN YOU HELP MAKE A DIFFERENCE TO THE EDUCATION OF YOUR CHILD

Dear Parents and Caregivers,

As you are aware, voluntary contributions help provide our school with extra resourcing that supports the enrichment of your child's education. This funding allows us to purchase additional resources and provide additional learning opportunities for your child.

The School Board has set the voluntary contributions for the following amounts:

\$80 for one child

or

\$130 two or more children

Please note, you are able to contribute more or less than the set amounts if you choose. These contributions are applicable from **preschool to year 6**.

As a school we also appreciate the time that many families contribute as volunteers. Volunteering as a classroom helper, for special events and /or on excursions also assists us in providing rich educational opportunities for your children.

If you have any questions, please don't hesitate to contact me.

Kind regards,

Debbie Martens

Please Note: The payment of these financial contributions is voluntary. The Education Act 2004 states that your child will not be refused benefits or services if you do not choose to contribute. Individual records of contributions are confidential.
