Reading Eggs and Mathletics Online learning - Subscription

Dear Parents/ Carers

We are excited to inform you Theodore Primary School are continuing the Reading Eggs and Mathletics Online subscriptions for 2021. The school will be supporting the cost for all students online subscriptions for Reading Eggs and Mathletics as an additional tool to support students with their learning in literacy and numeracy at school and home .

What are Reading Eggs and Mathletics?

Reading Eggs and Mathletics are online educational platforms that support students' development of literacy and numeracy skills through engaging games and activities. They are easy to follow, self-paced and highly engaging for children.

How does it work?

Each child will receive a unique card from their teacher containing their username and password. By entering the username and password into www.readingeggs.com.au and www.mathletics.com.au your child will have access to the range of games and activities.

Your child's teacher will be able tailor the content your child can access so that activities are targeted at their specific learning needs. Reading Eggs and Mathletics are best used as an additional resource during school time to support students' learning of new concepts as well as at home to provide them with opportunities to practise what they have learnt.

If you require any further information regarding Reading Eggs and Mathletics please do not hesitate to contact me or your child's classroom teacher.

Please return below permission by 18 February 2021

Kind regards

Nathan Pepper
